## *Senior Housing Directory*

Revised April 2023

**This Housing Directory provides a geographical listing of senior apartments for individuals 55 years of age and older who can live independently with minimal assistance.**

**HOUSING CHOICE VOUCHER (HCV)- Provides subsidized housing assistance for very low-income families, the elderly and the disabled, allowing them to live in safe, quality affordable housing in the private market. Contact Columbus Metropolitan Housing Authority at 614-421-6000 for more information.**

**MARKET RATE (MR)- The tenant pays the full rent amount of these apartments.**

**SUBSIDIZED (S)- Rent subsidies are provided and are approximately 30% of the tenant's adjusted income.**

**TAX CREDIT (TC)- Low Income Tax Credit is a fund awarded to developers to build or renovate rental housing for low income residents. These funds reduce the debt the developer would incur if borrowing funds from a financial lender. This savings allows the builder to offer rent at a more affordable rate to tenants.**

**Please contact the property manager for further information regarding any senior apartment listed.**
